'Believe and Achieve'

End of Year Science Expectations: EYFS

UNDERSTANDING THE WORLD

Pupils should be taught to:

- Looks closely at similarities, differences, patterns and change. Uses the language of 'more' and 'fewer' to compare two sets of objects.
- Children know about similarities and differences in relation to places, objects, materials and living things. They talk about the features of their own immediate environment and how environments might vary from one another. They make observations of animals and plants and explain why some things occur, and talk about
