

St Mary's Newsletter

Friday 14th February 2020

'In striving for academic excellence, you have also focused on creating an atmosphere that is described as 'giving a heart' to the school. This ensures that pupils not only achieve well in reading, writing and mathematics, but also that they learn to respect and understand each other.' Ofsted September 2017

Dear Parents and Carers,

There have been a number of class trips over the past few weeks. We are grateful to all the parents who are able to join classes to support the trips, thank you.

During collective worship this week, children have reflected on the theme of 'let your light shine' linked to their school vision. Some children are learning the school vision by memory, well done!

Have a peaceful weekend,

Miss Prayag Headteacher
