Maths

Daily mathematics using your mathematics login.

Topmarks(www.topmarks.co.uk): Has a variety of free activities linked to different mathematical areas including times tables, number bonds and mental maths.

Hit the button and the daily 10 maths challenge (www.topmarks.co.uk): are good for quick fire questioning based on maths operations (addition, subtraction, multiplication and division).

Please remember that your child will sit the National Multiplication Check in the summer term. So we stress it is important that children practice their known times tables. Children should know: 2, 5 and 10 times tables. They should be practicing their: 3, 4, 6, 7, 8, 9, 11 and 12 (as the test will focus on these, as they are the most difficult).

Maths Revision:

- Maths revision packs.
- J2Blast (LGFL)

Creative curriculum

Science activities:

- Creative Homework: **Sound**
 - Children to create their own musical instrument using objects around the house.
 - Think about: What do you need to do to make a sound? Are vibrations used for sound? How can you make the sound? How can you change the *tone* of the sound?

The wider creative curriculum:

- Learning the school vision and being able to recite it off by heart. This can be found on our school website: <https://www.stmarys.islington.sch.uk/>
- **RE:** Create the story of Easter through art.
