# St Mary's Church of England Primary School

# Year 1 Easter Break 2020

Dear Parents and Year 1,

We hope that you enjoyed last week's activities and are continuing to keep safe and well at home. Below are some activities for the Easter holidays. The first is around learning our school vision and the second is a creative task. Your child may wish to select one of the two suggested

activities in each box or, of course, they are welcome to complete both! We hope that you have a restful and enjoyable Easter break.

#### Best wishes

#### Miss Coates and Miss Sarah

### **Activity:** Our School Vision

We believe that everyone is precious and loved by God. We aspire to let our light shine in all that we do.

We nurture and empower one another to flourish.

Together we shine in our world by showing compassion and by serving others.

Let God's light shine through us.

Please work with an adult to learn our school vision off by heart. Below are some fun suggested ways to get creative with this:

#### Making up a dance/actions to go alongside our school vision

See if you can represent the school vision in actions or dance moves. You could begin by coming up with moves whilst someone reads our vision to you and then move on to saying the vision yourself, whilst you do the moves. You could even make up a game where you choose a line and perform just the actions without speaking to see if your family can guess which one it is!

#### Representing the school vision using pictures/emojis

This one is a little trickier but could maybe be done as a team with other members of your family. You could either draw a series of little pictures to represent each line on a piece of paper or use a computer or tablet to represent the vision using emojis. I have had a go at the first part of line one below:

We

believe

that everyone

is precious and

loved

by God.

**Activity:** *Easter creativity* 

#### Easter cooking - Making chocolate Easter nest cakes

For this you could either use the BBC good food website or the instruction cards from Twinkl to make your nest cakes. Parents, please make a point of discussing the measurements needed and how to weigh these out, as well as referring to each instruction with your child. For those with a dairy allergy, how about replacing the chocolate with golden syrup or honey and using jelly sweets for the top?

BBC good food: <a href="https://www.bbc.co.uk/food/recipes/eastereggnests\_93841">https://www.bbc.co.uk/food/recipes/eastereggnests\_93841</a>

Twinkl: https://www.twinkl.co.uk/resource/t-t-28876-easter-crispy-cakes-recipe-cards

www.twinkl.co.uk/offer

Sign up to Twinkl by using the code CVDTWINKLHELPS to have access to the resources free for one month.

#### Treasure/Easter egg hunt

You could also complete a treasure/Easter egg hunt around your house with an adult or sibling. Below is an example of clues which could be copied out (and changed as necessary to suit your home). They can then be hidden around your house, with the last one being hidden with a little treat like a chocolate egg or sweet. You could either ask someone to hide the clues for you to follow and find the treasure or set it up for someone else! Can you have a go at reading the clues yourself?

For a larger version of the clues please follow the link below:
