

**Year 4**  
*Activities for the week*  
*beginning 20<sup>th</sup> April 2020*

Hello Year 4!

Welcome to Summer Term 2020! I hope you are well and helping out as much as possible at home during lock-down! Well done for the interesting and beautiful Easter projects! Please check out the link below for the amazing Islington tasks, and I have set some more tasks (in the boxes) to be getting on with too.

Don't forget to show the St. Mary's Way at all times, and keep up our high standards of handwriting and presentation.

Good luck!

Mr McLaughlin and Miss Kelly

Islington Tasks: <https://www.islingtoncs.org/sites/default/files/files/WC%2020th%20April%20LKS2%20Newsletter.pdf>

English activities: Ancient Egypt!

Make a Poster and a Fact File about Ancient Egyptians! Include art, facts and numbers!

Check out: <https://www.bbc.co.uk/bitesize/topics/zg87xnb>, <https://www.historyforkids.net/ancient-egypt.html/>, [https://www.ducksters.com/history/ancient\\_egypt.php](https://www.ducksters.com/history/ancient_egypt.php)

SPAG: Complete these sentences starting: **Recently, I have...**    **Recently, I haven't...**

Easy: ...eaten tasty food, been to school, seen my teacher, played a game, practised maths.

Medium: ...eaten \_\_\_\_\_, seen \_\_\_\_\_, spoken to, watched, met, been to, listened to, played.

Hard: ...spoken, practised, begun, beaten, broken, drunk, swum, fought, mistaken, misunderstood

Challenge: Write sentences about other people (Recently, she **has/hasn't** eaten cake.)

Maths activities:

As well as completing the Islington Home Learning Page at: <https://www.islingtoncs.org/sites/default/files/files/WC%2020th%20April%20LKS2%20Newsletter.pdf>

Please go onto: <https://whiterosemaths.com/homelearning/year-4/> and <https://nrich.maths.org/9024>

Easy – Make a poster including pictures of how to turn a triangle and a rectangle.

Medium – Make a poster on how to turn a shape, and how to describe the position of a shape on a grid

Hard – Make a poster explaining how to turn, then how to move a shape across a grid

Time for fun!

Write a list of true and false sentences starting: **In my life, I have / I haven't...** and see if other people know which ones are true!

Check out these coordinates games: <https://www.topmarks.co.uk/Search.aspx?q=coordinates>
