Reception Easter Break 2020

Good morning Reception,

Happy Easter to you all!

Myself, Miss Geraldine and Miss Sam hope that you are all happy, healthy and ready for a well-deserved half term. Parents, I just want to personally say that you are all doing an amazing job! It is not easy to suddenly take on a new role in your household. Thank you for all the work you are putting in to ensure the children are still learning in all areas- academically, emotionally, spiritually and around the home :)

During this Easter period, I hope you can find times of peace, rest and joy. Praying that you feel Christ's love throughout this Easter period and beyond.

God bless,

Miss Mann, Miss Geraldine and Miss Sam

Activity: Our School Vision

*We believe that everyone is precious and loved by God. We aspire to let our light shine in all that we do.
We nurture and empower one another to flourish.
Together we shine in our world by showing compassion and by serving others.
Let God's light shine through us.*

Over the Easter Period, I would like you and your family to learn our school vision off by heart and then create a model, dance, artwork or song using the words from our school vision. Once you have done this, if you have access please upload it via [twitter](#) and tag us in using the handle @StMarysN1. I can't wait to see what you come up with! **When uploading content, we ask that no faces can be seen, this can be done using emoji's or using blurring to cover faces. If you create art work, you can take a picture of the work.** Thank you so much!

Activity: Easter creativity

You may all know that I love decorations and decorating my classroom seasonally. This half term, I would like you to design and create an Easter wreath and hang it either on your door or in your window. There are so many different ways you can do this. You can use your 1 hour walk to collect as many natural resources and materials as possible and use them to create your very own Easter wreath. Otherwise you can create a wreath using paper, card and felt tips at home. I will be uploading mine over the next few days via our website. You can tag yours in via [twitter](#) @Stmarysn1 Here are some examples below:
