Sports Grant 2022/2023

At St Mary's, we recognise the contribution of PE and sport to the health and wellbeing of our pupils. We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our children.

Background

The PE and sport premium is designed to help primary schools improve the quality of the PE and sport activities they offer their pupils. Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6. Playing sport helps to keep people healthy and is good for communities.

We want to get more children playing sport and doing physical activity safely, and help them keep playing sport throughout their life, no matter what their economic or social background.

Our school uses the funding to make additional and sustainable improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that we use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that our school already offer
- Build capacity and capability within our school to ensure that improvements made now will benefit pupils joining the school in future years

Academic Year 2022/2023

Allocation Total: £17,628

+ £4,485.39

£22,113.39

How Funds Have Been Spent & Impact – (Breakdown):

Key Indicator	Intent	Implementation	Anticipated Impact & Sustainability	Cost
